

# Welcome to AIM Personnel

We are a full service employment agency offering three divisions in which you can become employed:

#### DIRECT HIRE

Your personnel consultant sends you on an interview being represented through AIM Personnel. If you are hired, you will be on the hiring company's payroll starting the first day of employment. You are never on AIM Personnel's payroll. Most companies have a probationary period starting the first day of hire and continuing for the first (3) three months of employment. If there are any questions before or after being hired, always feel free to contact your AIM representative.

#### • TEMPORARY EMPLOYMENT

You are employed through AIM Personnel. Your hourly rate depends on the assignment, (skills, duration, and location all factor into the hourly rate). Every Friday, a completed and signed time sheet needs to be submitted to AIM Personnel for the hours you worked. You will be paid the following Friday for the hours you had worked the previous week.

This is a great opportunity for you to experience working for various companies, as well as an opportunity to update your skills and learn new ones. You will also gain knowledge and insight on how different industries operate. Many of our candidates have had great success being hired directly after working for different South Shore companies.

#### • TEMPORARY TO DIRECT HIRE EMPLOYMENT

You will be sent on an assignment with the understanding that the company would like to hire someone long-term for this position. Some companies prefer to interview a candidate before having them start a temporary to hire assignment. If selected, you will be paid an hourly rate and receive a weekly paycheck from AIM Personnel. (Please read the Temporary Employment section of this information sheet).

If both parties are satisfied after several weeks of employment, the company can arrange to hire you. Unfortunately, there is never any guarantee that you will be hired on a long term basis. However, we have had a great deal of success in finding candidates suitable long-term employment through this service.

We at AIM realize we are not doing our job unless you are happy, whether it is a short-term or long-term association. Stay in touch with your placement professional. "WE WANT TO DO ALL THAT WE CAN TO MAKE YOUR AIM PERSONNEL EXPERIENCE A POSITIVE ONE."

Thank you again for registering with our service and "GOOD LUCK"!!!
